Unit 28/2, Firth Road, Houston Industrial Estate

Livingston, EH54 5DJ

Description

At the front of the unit there is pedestrian access via double aluminium doors leading to a reception and a mix of open plan offices. Visitor / staff car parking is also located to the front of the property. The warehouse is of portal frame construction and the walls are of blockwork with the rear elevation of steel cladding with an internal eaves height of 4.5m. Access to the rear is served by one electrically operated rollershutter door and there is a secure yard which is concrete with palisade fencing.

Location

Livingston is strategically located approximately 16 miles west of Edinburgh and 34 miles east of Glasgow and benefits from excellent transport links to both cities and the rest of Scotland. The development is situated on the west side of Houston Industrial Estate with frontage onto Livingston Road (A899) with easy access to Junction 3 of the M8.
